TF Lucy Handley

Rental - there is a tenant in there

- seller may also be renting back for awhile. She has given rental agreement to Ray Howard for seller.

Lucy is dealing with HSBC on ref.

She's a house. She will be redeveloping.

She is working with an architect, looking

at 3 Sells + a coach house.

Then private title.

Not sure how she will be taking title. May

decide to incorporate to take title. Told her to speak to her accountant. Should decide before closing.

Has had it inspected for an oil tank but found no evidence of it.
