Please call Lucy Hundley @ 604-876-2398 before 2:45 pm today, if possible. Apparently, the owner's of the property that she wishes to purchase, which is closing on the 2nd of May, have changed their mind about selling the property and have hired a lawyer. She wanted to give you the heads up on this. She said that she has never been in this type of situation and doesn't know what to do.
